Mechanical Addendum No. M1

Project: Fenelon Falls Fire Station #22

General

The following shall constitute the mechanical portion of the addendum to be issued by Wilcox Architects Inc. Bidders are to include the following in the tender price.

1. Drawing M1: It has been noted that there is only one existing gas fired unit heater on site, while the drawings note two.

1. Drawing M1 has been updated to show the location where the one existing gas fired unit heater is to be located, and re-labeled the gas fired unit heater by the single overhead door as a new unit heater. A schedule has been added to drawing M1 for this new unit heater, UH-1.
2. Note that alternate manufacturers with equivalent capacity are acceptable, subject to shop drawing review.
